

PINER-OLIVET UNION SCHOOL DISTRICT

PUBLIC HEARING

TO BE HELD November 10, 2021

The Piner-Olivet Union School District will be holding a Public Hearing regarding the Educator Effectiveness Block Grant. On November 10, the State announced the reinstatement of the Educator Effectiveness Block Grant that was last in effect in 2019.

The State is requiring a Public Hearing regarding the district plans at our November boarding meeting, with final board approval scheduled for the December board meeting. The following email came to us from SCOE highlighting the nature of the grant and, unfortunately, it's extremely short timeline:

"(On October 22) CDE released details on the new Educator Effectiveness Block Grant...AB 130 established funding for professional learning for teachers, administrators and paraprofessionals that work with pupils. This funding will be available from fiscal year 2021-22 through 2025-26. As a condition of receiving these funds; by December 30, 2021, LEAs must develop and adopt a plan outlining the expenditures for these funds. The plan shall be presented in a public meeting of the governing board before its adoption at a subsequent public meeting. The CDE will not be providing a plan template"

This Public Hearing will take place at a regular Governing Board meeting scheduled for Wednesday, November 10, 2021, at 7:00 p.m. this meeting will be held virtually via Zoom:
