

School Accountability Report Card

Reported Using Data from the 2010-11 School Year

Published During 2011-12

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2010-11)

This section provides information about the school, its programs and its goals.

Jack London Elementary School, the District's fourth school, opened in September 2003. It is located on the edge of a residential neighborhood with rural areas surrounding it. The school currently has 344 students in kindergarten through sixth grade. A YMCA childcare program is housed in one of the classrooms. The campus also houses a charter school for seventh and eighth graders with 200 students in six additional classrooms provided by the charter school.

All primary classes, grades kindergarten through 3rd grade, participate in the class-size reduction program and have no more than 22 students in each class. Our intermediate classes, grades 4th through 6th, have an average of 28 students per class. Instructional assistants offer instructional support to all students in each classroom based on the needs of our students.

The staff includes a number of positions that are shared with other schools. Our resource specialist program teacher, office manager and lead custodian are shared with the charter school. There is a part-time health technician who dispenses medications, updates records, and notifies staff of student medical information. Our speech specialist works two days per week, and the nurse services students one day per week. The school also has one part time afternoon custodian.

There are fifteen regular classrooms teachers (two are jobshares); Five classified staff members serve in combination as instructional assistants in regular classrooms, the resource specialist program, and the Title I and Title III ELL Assistant program as well as yard duty and food services.

Special programs include Resource Specialist Program, ELL Assistant Program, GATE, Speech and Language Program, Adaptive Physical Education, Homework Club, Cross Age Tutoring with the charter school, and an Extended School Day Intervention Program for students at risk of retention or not meeting grade level standards. Students in the Resource Specialist Program are seen in pull-out programs as well as through collaboration with the regular education teacher in the classroom. The English Language Learner Assistant works with English Language Learners in the regular classroom to support English language development.

The school facility includes twenty-one regular classrooms (fifteen used by our elementary school and eight by the charter school); an RSP classroom; small instructional rooms for reading, speech, and counseling; and two other instructional classrooms. There is a Media Services building which has a library, computer lab, project room, staff room and staff workroom. Each class is scheduled to visit the library once a week. Classes are also scheduled to use the computer lab for extra support in language arts and math, English Language Development support, word processing and research. The facility also includes a full gymnasium with kitchen attached to heat prepared meals.

Opportunities for Parental Involvement (School Year 2010-11)

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

Parents volunteer in classrooms, the library, on field trips, and serve on the School Site Council. Jack London Families, the parent organization, is an active group that meets monthly and is involved in fund raising to sponsoring family activities throughout the year such as ice cream socials, ice skating nights, movie nights, books sales, and sock hops. The Bilingual Parent Group meets bimonthly. This group serves as a way to inform those parents about school and events, and it also serves as the English Language Advisory Council. Parents are also involved in Piner-Olivet Educational Foundation that fundraises for field trips and school programs.

III. School Climate

School Safety Plan (School Year 2010-11)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Jack London has a Comprehensive School Safety Plan in place in coordination with Piner-Olivet Charter School. The plan includes elements that address general procedures and emergency situations. It assures the safety of students and staff in case of any routine or disaster emergency situation. It includes a communication plan with the district office and other district schools.

Suspensions and Expulsions

Rate	School			District

Suspensions	2.06	5.88	3.99	4.72	7.12	5.12
Expulsions	0	0	0	0	0	0

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2011-12)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: June 2011

The school was constructed 2003 and has been regularly maintained. The play ground was relined and remarked during Spring 2010. The facilities were inspected in June 2011.

School Facility Good Repair Status (School Year 2011-12)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
 "Vacant Teacher Positions" refer to positions not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2010-11)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects Taught by	
	NCLB Compliant Teachers	Non-NCLB Compliant Teachers
This School	100	0
All Schools in District	100	0
High-Poverty Schools in District	100	0
Low-Poverty Schools in District	0	0

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2010-11)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	0

Resource Specialist (non-teaching)	1	---
Other	0	---

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2011-12)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: September 2011

The curriculum is standards-based and was selected from the state adopted materials which best matched the needs of our students. Supplemental curriculum for English Language Learners, students needing extra support and students needing challenge materials were also adopted.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Reading California Houghton Mifflin Copyright 2003		0%
Mathematics	California Math Houghton Mifflin Copyright 2009		0%

Percent Difference: School Site and State	---	---		

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.
Basic/Unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2010-11)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Jack London Elementary School, the District's fourth school, opened in September 2003. It is located on the edge of a residential neighborhood with rural areas surrounding it. The school currently has 285 students in kindergarten through sixth grade. A YMCA childcare program is housed in one of the classrooms. The campus also houses a charter school for seventh and eighth graders with 200 students in six additional classrooms provided by the charter school.

All primary classes, grades kindergarten through 3rd grade, participate in the class-size reduction program and have no more than 22 students in each class. Our intermediate classes, grades 4th through 6th, have an average of 28 students per class. Instructional assistants offer instructional support to all students in each classroom based on the needs of our students.

The staff includes a number of positions that are shared with other schools. Our resource specialist program teacher, office manager and lead custodian are shared with the charter school. There is a part-time health technician who dispenses medications, updates records, and notifies staff of student medical information. Our speech specialist works two days per week, and the nurse services students one day per week. The school also has one part time afternoon custodian.

There are fourteen regular classroom teachers (two are jobshares);. Five classified staff members serve in combination as instructional assistants in regular classrooms, the resource specialist program, and the Title I and Title III ELL Assistant program as well as yard duty and food services.

Special programs include Resource Specialist Program, ELL Assistant Program, GATE, Speech and Language Program, Adaptive Physical Education, Homework Club, Cross Age Tutoring with the charter school, and an Extended School Day Intervention Program for students at risk of retention or not meeting grade level standards. Students in the Resource Specialist Program are seen in pull-out programs as well as through collaboration with the regular education teacher in the classroom. The English Language Learner Assistant works with English Language Learners in the regular classroom to support English language development.

The school facility includes twenty-one regular classrooms (thirteen used by our elementary school and eight by the charter school); an RSP classroom; small instructional rooms for reading, speech, and counseling; and two other instructional classrooms. There is a Media Services building which has a library, computer lab, project room, staff room and staff workroom. Each class is scheduled to visit the library once a week. Classes are also scheduled to use the computer lab for extra support in language arts and math, English Language Development support, word processing and research. The facility also includes a full gymnasium with kitchen attached to heat prepared meals.

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

IX. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Physical Fitness Test Results (School Year 2010-11)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	18.5	22.2	22.2

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2008	2009	2010
Statewide	7	7	6
Similar Schools	7	5	4

Academic Performance Index Growth by Student Group - Three-Year Comparison

Group	Actual API Change		
	2008-09	2009-10	2010-11

Socioeconomically Disadvantaged	-23	2	28
English Learners	-23	9	10
Students with Disabilities			

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group - 2011 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2011 Growth API at the school, LEA, and state level.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2010-11)

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	Yes	No
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	N/A	N/A

Federal Intervention Program (School Year 2011-12)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

The district provides training based on identified goals for district staff which include:

- TESA (Teacher Expectation and Student Achievement)
- Differentiated Instruction and Universal Access
- Training to support adopted instructional materials
- Training to provide teachers with certification and skills necessary to work with English Language Learners
- Teachers participate in regular district and grade level meetings
- New teachers participate in the BTSA program through Sonoma County Office of Education
- All staff regularly take courses in First Aid and CPR
- Professional Learning Community (PLC) Training
- Response to Intervention (RtI) Training

Other professional development opportunities are considered on an individual basis or related to school / district priorities and goals.
