KINDERCARE PROGRAM

Piner-Olivet Union School District provides a Kindercare Program at Olivet Elementary and Piner Elementary Schools. This program is for students in Kindergarten that will ride the school bus or be picked up by a parent or guardian at 2:35 p.m. when the grades 1 – 6 students get out of school.

Kindercare will be staffed by a District-employed Instructional Assistant at each site.

The Instructional Assistant will pick up the Kindercare students each day and escort them to the Kindercare Room. The Instructional Assistant will escort the Kindercare students to the bus at the end of each day. Parents/guardians may pick up their Kindercare student(s) at the Kindercare Room prior to 2:35 p.m.

The cost for the Kindercare Program is \$2.50 per day whether or not the student stays for the full time. The Instructional Assistant will take roll each day and parents/guardians need only pay for the days that their child attends the program. Parents/guardians should pay for the Kindercare service in advance and can pay for one week, one month, etc. Because of bookkeeping costs, paying on a daily basis is discouraged.

Location: Olivet School – Room 22 Piner School – Room 33
