

ARTICLE 22
STAFF DEVELOPMENT

- 22.1** As long as staff development funding is available from the state, staff development shall be available for those eligible unit members in the instructional assistant classifications per state funded guidelines.
- 22.2** One (1) day of staff development is available.
- 22.3** Eligible unit members must attend six (6) hours of staff development during the year if they choose to participate.
- 22.4** The content of staff development on scheduled days will meet the guidelines outlined by the California State Department of Education and/or Education code.
- 22.5** Attendance on the part of each eligible unit member is voluntary.
- 22.6** Compensation for eligible unit members completing the six (6) hours of staff development training shall be one hundred fifty dollars (\$150.00). The eligible unit member must attend the full amount of time to be compensated. The pay date shall be the unit member's next regular pay date following the receipt of an approved timesheet by the District Office.
