The Richard B. Russell National School Lunch Act requires the information on this application. You are not required to provide the information, but if you do not, we cannot approve your child for free or reduced-price meals. If you are submitting an income-based application, you must include the last four digits of the Social Security number of the adult household member who signs the application. The last four digits of the Social Security number are not required when you apply on behalf of a foster child; list a CalFresh, California Work Opportunity and Responsibility to Kids (CalWORKs), Food Distribution Program on Indian Reservations (FDPIR), or Kinship Guardianship Assistance Payment (Kin-GAP) case number for your child; or indicate that the adult household member signing the application does not have a Social Security number. We will use your household size and income information to determine if your child is eligible for free or reduced-price meals, and for the administration of the lunch and breakfast programs.

The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)
