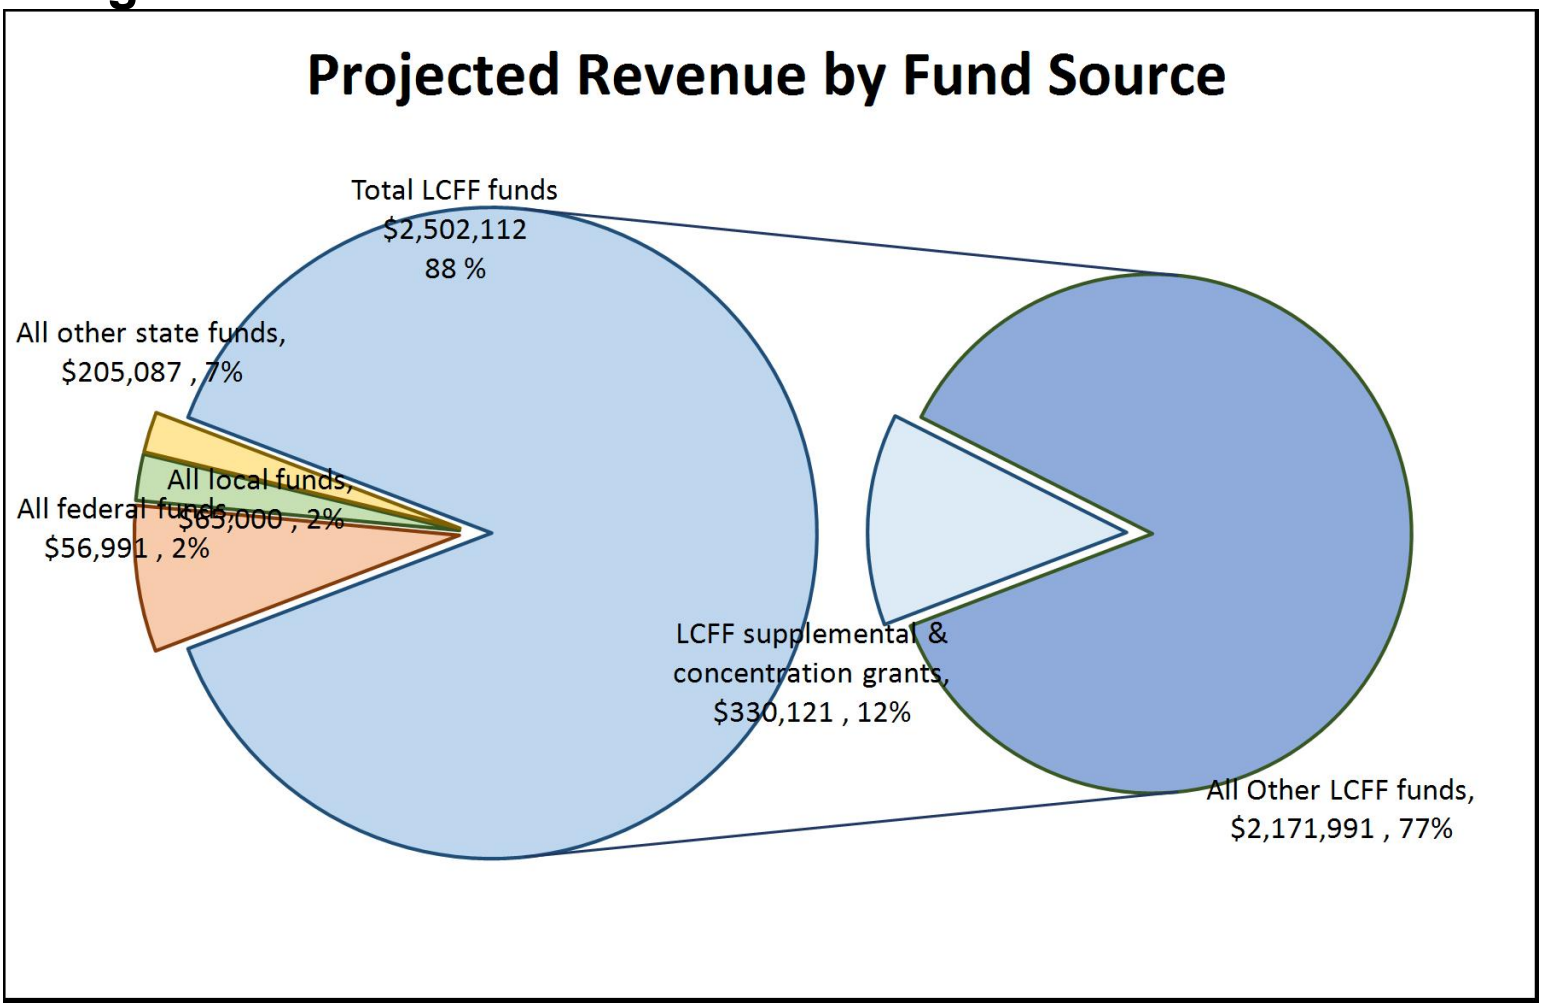
LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Piner-Olivet Charter School
CDS Code: 49-70870-6113492
School Year: 2025-26
LEA contact information:
Heather Graham
Principal
hgraham@pousd.org
707-522-3310

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2025-26 School Year

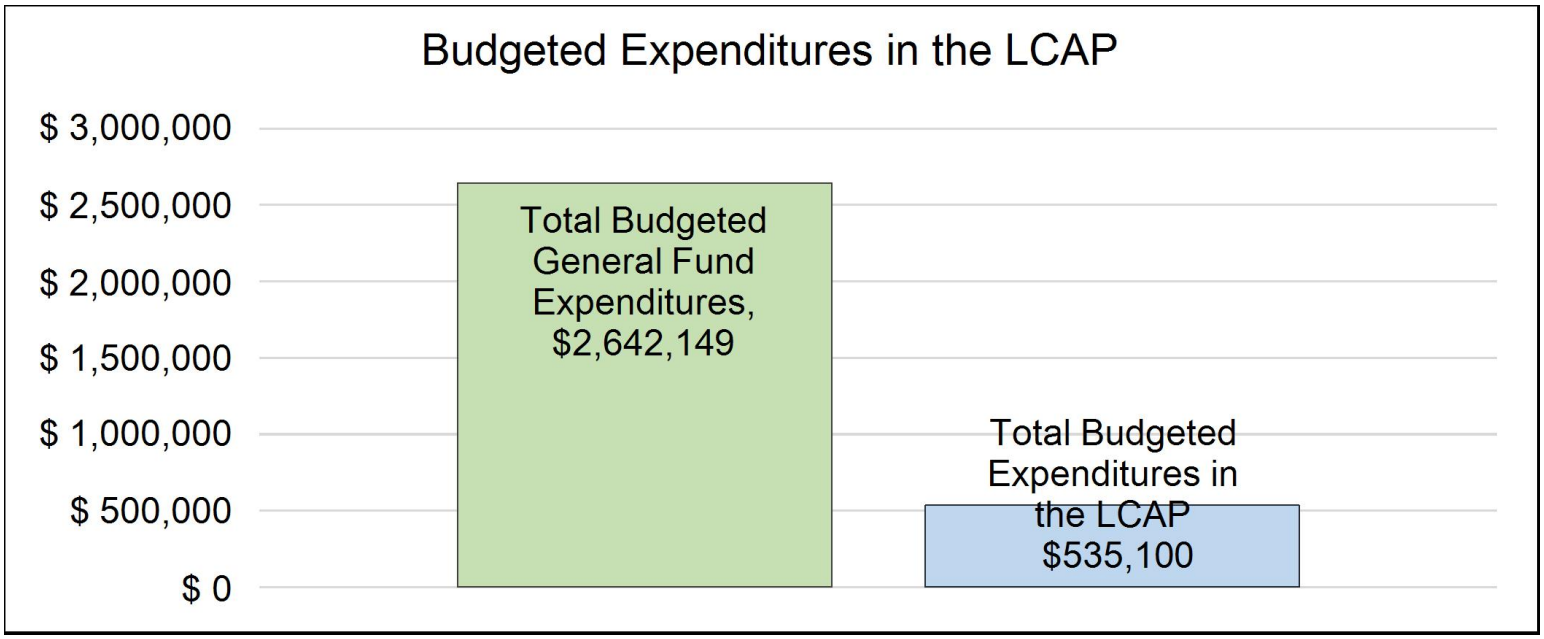


This chart shows the total general purpose revenue Piner-Olivet Charter School expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Piner-Olivet Charter School is $2,829,190, of which $2,502,112 is Local Control Funding Formula (LCFF), $205,087 is other state funds, $65,000 is local funds, and $56,991 is federal funds. Of the $2,502,112 in LCFF Funds, $330,121 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.



This chart provides a quick summary of how much Piner-Olivet Charter School plans to spend for 2025-26. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Piner-Olivet Charter School plans to spend $2,642,149 for the 2025-26 school year. Of that amount, $535,100 is tied to actions/services in the LCAP and $2,107,049 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

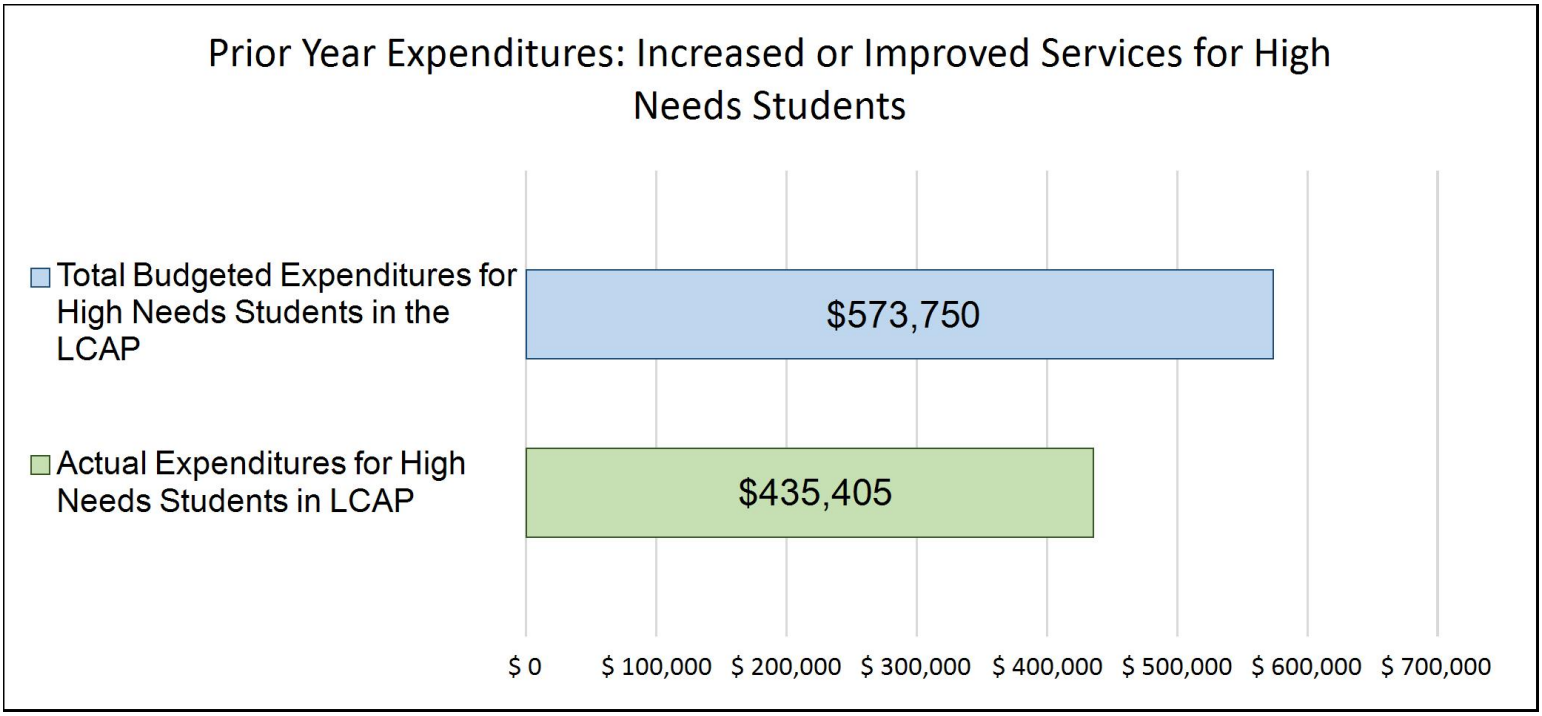
General Operations and Maintenance: Non-instructional supplies and materials

Increased or Improved Services for High Needs Students in the LCAP for the 2025-26 School Year

In 2025-26, Piner-Olivet Charter School is projecting it will receive $330,121 based on the enrollment of foster youth, English learner, and low-income students. Piner-Olivet Charter School must describe how it intends to increase or improve services for high needs students in the LCAP. Piner-Olivet Charter School plans to spend $505,600 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2024-25



This chart compares what Piner-Olivet Charter School budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Piner-Olivet Charter School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2024-25, Piner-Olivet Charter School's LCAP budgeted $573,750 for planned actions to increase or improve services for high needs students. Piner-Olivet Charter School actually spent $435,405 for actions to increase or improve services for high needs students in 2024-25.

The difference between the budgeted and actual expenditures of $138,345 had the following impact on Piner-Olivet Charter School’s ability to increase or improve services for high needs students:

Our school increased and improved services of our actions and services as evident by our student, staff, parent, and community surveys.

Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone

Plan Summary [2025-26]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

The Piner-Olivet Union School District (POUSD) oversees four charter schools and one "district" school which is Jack London Elementary School, a TK-6th grade school. The data represented in this report focuses solely on Piner-Olivet Charter School (POCS). District charter schools (Piner-Olivet Charter School (7th and 8th grade), Northwest Prep (7th-12th grade), Olivet Elementary (TK-6th), and Morrice Schaefer (TK-6th) complete their own LCAP. Our district's vision is: Inspiring joyful and innovative learning in an ever-changing world. Our district mission is "As a community, we engage In authentic, dynamic, and relevant learning that develops each student's academic, emotional, and social growth." The enrollment of Piner-Olivet Charter School has approximately 216 students, where 48% of students are considered socio-economically disadvantaged and 17% are considered English Language learners and .9% are considered Foster Youth. POUSD is proud of our long and storied history, as we are celebrating over 100 years of success, serving Santa Rosa students and their families. In more recent history, we were awarded the CDE's "Pivotal Practice Award" in 2022. Our Coffey Park Neighborhood has been struggling during unprecedented times the past few years starting with the 2017 fires, COVID19 Pandemic and Distance Learning. However, our community has been rebounding, rebuilding, and growing stronger together at Piner-Olivet Charter School. Piner-Olivet Charter School is not eligible for the Equity Multiplier funds.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Here is a reflection on SUCCESSES and CHALLENGES identified based on our annual performance on the 2024 California School Dashboard and local data:

SUCCESSES based on 2024 CA Dashboard:
-State indicators where Piner-Olivet Charter School (POCS) received "green" or "blue" performance level on the 2024 Dashboard for "all students:"
There were no indicators where POCS received "green" or "blue" performance level on the 2024 Dashboard for "all students"

SUCCESSES based on 2024 CA Dashboard based on Student Demographic Groups:
School Climate (Suspension): All Students increased from Red to Yellow on the CA Dashboard

SUCCESSES based on local data and implementation:
-Pupil Achievement in ELA and Math-
Success: Increase in local data on STAR Reading and STAR Math
-School Climate based on Suspension Rate-
Success: Implemented Trauma Informed Practices, Restorative Practices and Youth Transforming Justice

The following local indicators were at the "standard met" level.
Basic Services
Implementation the Academic Standards
Parent and Family Engagement
Local Climate Survey
Access to Broad Course of Study

CHALLENGES based on 2024 CA Dashboard:
Overall indicators where Piner-Olivet Charter School (POCS) received the lowest performance level ("red") on one or more state indicators on the 2024 Dashboard for “all students:”
Chronic Absenteeism- Red (Demographic Groups: Hispanic and Socioeconomically Disadvantaged) which was an increase from Orange in 2023.

CHALLENGES based on 2024 CA Dashboard and on Student Demographic Groups:
Pupil Achievement- New students group: Longterm English Learners in Orange on ELA and Math
Chronic Absenteeism- Red (Demographic Groups: Hispanic and Socioeconomically Disadvantaged) which was an increase from Orange in 2023.

CHALLENGES based on local data and implementation:

-Pupil Achievement in ELA and Math-
Challenges: Implementation of differentiation of curriculum to meet needs of all students
-Pupil Engagement based on Chronic Absenteeism-
Challenge: Providing all wrap around services needed to support family needs

Access to a Broad Course of Study: Standard Not Met two or more years in 2023 on CA Dashboard
Outcomes in a Broad Course of Study: Not Applicable

Here is how we are addressing identified needs of student groups in our school:

Chronic Absenteeism- Red (Demographic Groups: Hispanic and Socioeconomically Disadvantaged Students)
Addressing Needs:
-Identifying students in the demographic groups with chronic absenteeism, conducting empathy interviews and creating attendance action plans (Action 2.2)
-Implemented Trauma Informed Practices, Restorative Practices and Youth Transforming Justice (Action 2.2)

Based on these dashboard and local data performance scores, we are NOT involved in Differentiated Assistance with Sonoma County Office of Education.

2025-2026 REQUIRED ACTIONS:
Differentiated Assistance: N/A
Equity Multiplier: N/A
ELs if over 26: N/A
LTELs if over 15: Applicable 22 LTELS (see below)
Additional Student Groups Actions
Learning Recovery Emergency Block Grant (see below)

DIFFERENTIATED ASSISTANCE (REQUIRED ACTIONS TO MEET DIFFERENTIATED ASSISTANCE IN 2024): NOT APPLICABLE

ELs IF OVER 30: NOT APPLICABLE

LTELs IF OVER 15
Our required actions are English Learner Progress to meet the Red Indicators for Long-term English Learners. The actions which address these areas of red for our Long-term English Learners are:
1.1, 1.2, and 1.3 in GOAL 1
2.1, 2,2, and 2.3 in GOAL 2

3.2 and 3.3 in GOAL 3

ADDITIONAL STUDENT GROUP ACTIONS
Foster Youth: The actions which address these student groups are:
1.1, 1.2, and 1.3 in GOAL 1
2.1, 2,2, and 2.3 in GOAL 2
3.1, 3.2 and 3.3 in GOAL 3

Students with Disabilities: The actions which address these areas of red are:
1.2 in GOAL 1 and 2.4 in GOAL 2.

LEARNING RECOVERY EMERGENCY BLOCK GRANT (LREBG)
Learning Recovery Emergency Block Grant is: Funding for county offices of education, school districts, and charter schools for learning recovery initiatives that, at a minimum, support academic learning recovery, and staff and pupil social and emotional well-being.
2023-2025- Additional Program Assistant Support and Floater PA Position

The actions which address these areas are:
Additional Program Assistant Support
Floater PA Position

We anticipate spending all of our Learning Recovery Emergency Block Grant money as of June 2025. If additional funds become available, based on our needs assessment that focused on academic achievement and engaging educational partners, we will use the funds in the following ways:
1. To support classroom learning and increase academic achievement through the use of program assistants to provide additional support for our students in Orange in ELA and Math: (Socioeconomically Disadvantaged, English Learners, Hispanic Longterm English Learners) which supports the allowable uses of LREBG by supporting academic learning recovery.

---
2024-2025 Required Actions:
Here are the indicators where Piner-Olivet Charter School (POCS) received "red" performance level on the 2023 Dashboard for "all students":
Suspension- Red *The actions which address these areas of red for chronic absenteeism are: 2.1, 2,2, and 2.3 in GOAL 2 and 3.2 and 3.3 in GOAL 3.

Here are the indicators where POCS received "red" performance level on the 2023 Dashboard for "Not all students": NOT APPLICABLE

Here are the indicators where POCS received "red" performance level on the 2023 Dashboard for "All Student Groups":
Hispanic: Suspension: *The actions which address these areas of red for Hispanic Students are: 2.1, 2,2, and 2.3 in GOAL 2 and 3.2 and 3.3 in GOAL 3.
Socioeconomically Disadvantaged: Suspension: *The actions which address these areas of red for Socioeconomically Disadvantaged Students are: 2.1, 2,2, and 2.3 in GOAL 2 and 3.2 and 3.3 in GOAL 3.
English Learner: Suspension: *The actions which address these areas of red for English Learners are: 2.1, 2,2, and 2.3 in GOAL 2 and 3.2 and 3.3 in GOAL 3

Access to a Broad Course of Study: Standard Not Met two or more years
Outcomes in a Broad Course of Study: Not Applicable

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

N/A

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Parents	LCAP input posters at Spring Parent Information Nights were presented at parent meetings in April and May. Some general feedback from parents included from last year and this year was: have more parent informational nights in the Fall and Spring, provide childcare to parent meetings, have meetings on Zoom and in person, provide informational nights based on subject areas and grade levels. In addition, ensure curriculum represents everyone so that all cultures are engaged, focus on core curriculum and science, close campuses for safety, parent nights on restorative practices, trauma informed practices and fun social nights as well as more support for students in classrooms and tutoring. LCAP survey for input sent to all parents, slideshow presentation about LCAP was presented at parent meetings, parent representatives were invited to our LCAP brainstorming/feedback meeting. Some general feedback from parents included: ensure curriculum represents everyone so that all cultures are engaged, focus on core curriculum and science, close campuses for safety, parent nights on restorative practices, trauma informed practices and fun social nights.
Students	Focus student groups for input and ideas on our LCAP goals and how to implement them in our schools. Some general feedback from students included: More art, after school enrichment activities, and group projects. In addition, more support with program assistants.

Educational Partner(s)	Process for Engagement
Teachers	LCAP survey for input sent to all teachers, slideshow presentation about LCAP was presented at staff meeting, teacher representatives were invited to our LCAP brainstorming/feedback meeting. Some general feedback from teachers included: more counseling, Culturally Responsive Curriculum and Differentiated Instruction.
Principals and Administrators	Leadership Retreat to review past goals, possible new goals, actions and metrics to begin brainstorm about LCAP, leadership team presented possible LCAP goals and actions to staff during staff meeting, parents during parent meetings and were represented to LCAP brainstorming/feedback meeting. Some general feedback from principals and administrators included: equity work, support for student needs (counselor, psychologist, english language learner supports, differentiated instruction), and consistency within the school district with systems and procedures. In addition, more support for teachers in the classroom and on the yard with program assistants.
Classified Staff	Classified reflection meeting to inform next steps on the actions for next year in regards to the LCAP. Some general feedback from Classified Staff included: Continue to build Restorative Practices, Trauma-Informed Practices, working with neurodivergent students, how to communicate well, and strengthen the consistency of SEL programs across district and to have fully staffed program assistants.
Local Collective Bargaining Units	LCAP survey for input sent to all union members, slideshow presentation about LCAP was presented at staff meeting, representatives were invited to our LCAP brainstorming/feedback meeting. Some general feedback from Local Collective Bargaining Units were: the need for full time counselors and two school psychologists.
English Language Parent Advisory Committee	LCAP survey for input sent to all parents and technology was provided to help parents complete survey in Spanish, slideshow presentation about LCAP was presented at DELAC meeting, representatives were invited to our LCAP brainstorming/feedback meeting: parent information nights, learning new languages and more ELD support.
Special Education Local Plan Area Administrator	LCAP slideshow was shared with our SELPA director and feedback was provided about LCAP. One comment was to assure that your special education team and parent voice is included.

Educational Partner(s)	Process for Engagement
Executive Council	LCAP slideshow presentation was presented at Executive Council and LCAP Survey was filled out with feedback. Some general feedback from parents included: Emphasis should be on EQUITY for student access to programs/education in school, not equality, and that parents should be educated on SEL and Restorative Practices so there is a shared language at home. In addition, tutoring and extra support for teachers in the classrooms.
Piner-Olivet Union School District School Board	LCAP slideshow presentation was presented to the board on May 8th, 2024 and reviewed in the beginning of the 2024-2025 school year. Some general feedback from the board included praise for feedback from certificated, classified, parents and students. The LCAP will be sent to the Board for approval in June.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

LCAP INFLUENCED BY EDUCATIONAL PARTNERS:
We engaged our educational partners several ways throughout the 2023-2024 school year and used their feedback to make changes, edit and enhance our LCAP.
1. We provided all educational partners with a survey that discussed the possible LCAP goals, actions and possible metrics to use to determine if we met our goals.
2. We compiled a LCAP slideshow that incorporated the data from the surveys and comments from the surveys.
3. We shared the slideshow at multiple meetings with different educational partners such as Parent Organizations, School Site Council, Instructional Leadership Teams, Staff Meetings, DELAC meeting
4. We held student focus groups to receive more input about the goals and actions to meet the goals
5. We held a district committee LCAP meeting with representatives from all educational partners to review all of the data compiled from parents, staff, students in order to incorporate all of the ideas and implementation of the LCAP based on budget and resources available.
Some of the comments and suggestions that were included are as follows:
Goal One: Include attendance percentages to help determine student engagement in metrics
Goal Two: Include data from Aeries on discipline and counseling to see improvement in metrics
Goal Three: Add acceptance of others to the third goal and include parent classes/information nights (ex. learning English, Restorative Practices, Trauma Informed Practices, and learning how to use our Student Data Information System) to actions
6. We sent the final presentation to our special education local plan area administrator for additional feedback
7. We presented the final goals, actions and metrics with all of the input to the board in May for additional feedback and then wrote the LCAP to present to the Board in June

NEEDS ASSESSMENT OVERVIEW:
We engaged our educational partners several ways throughout the 2024-2025 school year (and 2023-2024 school year) and used their feedback to create our Needs Assessment for the Learning Recovery Emergency Block Grant based on achievement data and our

educational partner data:
-Parents; LCAP/Needs Assessment input posters at Spring Parent Information Nights were presented at parent meetings in April and May. Some general feedback from parents included from last year and this year was: have more parent informational nights in the Fall and Spring, provide childcare to parent meetings, have meetings on Zoom and in person, provide informational nights based on subject areas and grade levels. In addition, ensure curriculum represents everyone so that all cultures are engaged, focus on core curriculum and science, close campuses for safety, parent nights on restorative practices, trauma informed practices and fun social nights as well as more support for students in classrooms and tutoring.
-Students: Focus student groups and visits to all 4th and 5th grade classrooms for input and ideas on our LCAP goals and how to implement them in our schools. Some general feedback from students included: More art, after school enrichment activities with team sports and cooking, and more group projects. In addition, more support on the playground with program assistants.
-Teachers: Survey for input on programs (2023-2024) and teacher committee input (2024-2025) to inform needs. Some general feedback from teachers included: Assessments for TK-2nd to identify growth in those grade levels, more counseling, Differentiated Instruction and time for grade level planning. In addition, more program assistant support in the classroom and during PE time.
-Leadership/Administration: Leadership Retreat to review past goals, possible new goals, actions and metrics to begin brainstorm about LCAP, leadership team reviewed LCAP goals and actions to create focus for next year. Some general feedback from principals and administrators included: equity work, support for student needs (counselor, psychologist, differentiated instruction), and consistency within the school district in curriculum. In addition, more support for teachers in the classroom and on the yard with program assistants.
-Classified Staff: Classified reflection meeting to inform next steps on the actions for next year in regards to the LCAP. Some general feedback from Classified Staff included: Continue to build Restorative Practices, Trauma-Informed Practices, working with neurodivergent students, how to communicate well, and strengthen the consistency of SEL programs across district and to have fully staffed program assistants.
Several committees that worked together to create plans for next year and discuss goals for next year.
-Local Collective Bargaining Units: Some general feedback from Local Collective Bargaining Units were: additional PE support, intervention time for students, and more grade level planning time.
-DELAC: LCAP/Needs Assessment was reviewed at the DELAC meeting. Some feedback from last year and this year were: more parent information nights, learning new languages and more ELD support.
LCAP/Needs Assessment slideshow was shared with our SELPA director and feedback was provided about LCAP on May 8th, 2024. One comment was to assure that your special education team and parent voice is included.
-Executive Committee: LCAP goals were presented at Executive Committee. Some general feedback from parents included: parents should be educated on SEL and Restorative Practices so there is a shared language at home which was put in place this year 2025-2026. In addition, tutoring and extra support for teachers in the classrooms which was included in our needs assessment.

NEEDS ASSESSMENT INFLUENCED BY EDUCATIONAL PARTNERS AND ACADEMIC ACHIEVEMENT:
We took all of the information from our educational partners and looked for patterns, we found that each of our educational partners stated that they would like additional support in the classroom and/or at break/lunch to support the needs of our students both academically and behaviorally. In addition, we looked at our local STAR data assessments and saw a need for improvement in academic achievement which will be supported by program assistants in the classroom.

To view our needs assessment, please click on the link below:
https://docs.google.com/document/d/1uToJac_eGbO0LLYZGoXeEcMfNMzCPCN8hhjsR-ZN_rU/edit?usp=sharing

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and increase academic achievement. Action One: Student Engagement (Action 1.1) Action Two: Curriculum and Pedagogy (Action 1.2) Action Three: Assessment (Action 1.3) Required Actions to meet Red Indicators and DA for Chronic Absenteeism: Hispanic and Socioeconomically Disadvantaged (Based on CA Dashboard 2024) Action 1.1	Broad Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 2: State Standards (Conditions of Learning)
Priority 4: Pupil Achievement (Pupil Outcomes)
Priority 5: Pupil Engagement (Engagement)
Priority 7: Course Access (Conditions of Learning)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Piner-Olivet Charter School has developed this goal based on our dashboard and local STAR data since our 2023 dashboard shows certain student groups are in orange in pupil achievement in ELA and Math (English Learners, Hispanic and Socioeconomically Disadvantaged students) and our Pupil engagement (Chronic Absenteeism) is Orange within our Hispanic, English Learners, and Socioeconomically Disadvantaged Student populations. In addition, our STAR data in reading and math needs improvement. In addition, the California Dashboard 2024 is red for chronic Absenteeism for Hispanic and Socioeconomically Disadvantaged Students.

Our actions and metrics are grouped together to help us achieve this goal. Below you will see our actions and how our metrics meet each of the action items.

Action One: Student Engagement
Engagement strategies capitalize and build upon students' academic background, life experiences, culture, and language to support rigorous and culturally relevant learning to ensure that all students have access to, and are expected to participate

Expected Outcomes: Increase Percentage of Students who are engaged in school, Increase Programs and Services to Unduplicated Students to increase engagement and Increase Attendance Percentages at our school site which in turn will increase academic achievement.
Metrics for Student Engagement: YouthTruth Survey: Student Engagement Questions, Programs and Services Developed and Provided to Unduplicated Students and Attendance Percentages

Action Two: Curriculum and Pedagogy
Focus on strategic yearlong planning using our curriculum that informs units in support of students and instructing students using pedagogical content knowledge, culturally responsive, and ELD supports (designated and integrated) to meeting grade level standards.
Expected Outcomes: Common yearlong planning maps that are standards aligned and culturally responsive for all grade levels that are aligned throughout the grades. Our expected outcome is that incorporated into lessons are ELD supports, checks for understanding and activities that promote critical thinkers which in turn will increase academic achievement.
Metrics for Curriculum and Pedagogy: YouthTruth Survey: Instructional Methods and Academic Challenges Questions, Standards Aligned Materials, Williams Complaints, Broad Course of Study, Misassignment of Teachers and EL Access to CA Standards and ELD Standards

Action Three: Assessment
Use observable systems and routines for recording and using multiple assessment to support students' learning based on learning targets.
Expected Outcomes: Our school site has common formative assessments that are used with fidelity within the grade level and aligned through grade levels which provides common language and multiple assessments to support each individual students needs in order to increase academic achievement.
Metrics for Assessment: Star Reading and Math, CA Dashboard: CAASPP and EL Progress (ELPAC) and Reclassification of our English Language Learners

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.1	Local Data: Percent Positive of students who answered on the YouthTruth Survey about Student Engagement: I enjoy school most of the time.	Spring 2024 YouthTruth Student Survey about Student Engagement: I enjoy school most of the time. 40% Percent Positive	Spring 2025 YouthTruth Student Survey about Student Engagement: I enjoy school most of the time. 39% Percent Positive		Increase Student Engagement at least 5% Percent Positive each year	Decrease 1%

Goal Analysis [2024-25]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Challenges:
-Decrease in English Learner Reclassification and progress in math/ELA on the CAASPP
-Decrease in students engagement and academic challenges per Youth Truth data

-Not meeting our 3% increase in attendance rate
-Decrease of Scholarship Program for unduplicated students through Parent Organization

Challenges in Implementation:
Challenges: Implementing with fidelity designated ELD and integrated ELD
Challenges: Implementation of differentiation of curriculum to meet needs of all students
Challenge: Providing all wrap around services needed to support family needs to for attendance increase
Challenge: Helping unduplicated student families sign up for scholarships through Parent Organization

Successes:
-Increase in Instructional Methods per YouthTruth Data
-Increase in local data on STAR Reading and STAR Math
-Increase in Attendance percentages per Aeries data

Successes in Implementation:
-Successes: Implementing engaging common curriculum with sound instructional methods that increase students' critical thinking skills and academic achievement
-Successes: Identifying students with chronic absenteeism, conducting empathy interviews and creating attendance action plans

There were no instances where we did not implement a planned action or implemented a planned action in a manner that differs from our original plan.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Effectiveness:
Student Engagement- Implementing Community Circles, GLAD Strategies and ELD Supports, Utilizing Anchor Charts to support learning on classroom walls, Posting a Daily Schedule, using Group Projects to help all learners
Curriculum and Pedagogy- Working on Yearlong Plans and Using Culturally Responsive Curriculum, implement designated and integrated ELD in the classroom to support all students learning
Assessment: Assessment Calendar, Common Grade Level Assessments: Formative and Performance, Common Grade Level Rubrics, SOC Meetings and using these assessments to determine academic achievement

Ineffectiveness:

Student Engagement- We are working on Consistently Implementing Community Circles, Consistently implementing GLAD Strategies and ELD Supports, and consistently utilizing Anchor Charts to support learning on classroom walls, Posting a Daily Schedule with Learning Goals
Curriculum and Pedagogy- We are working on how to implementing Differentiated Instruction based on our student needs and being consistent in the implementation of designated and integrated ELD in the classroom to support all students learning
Assessment: We are working on aligning our common grade level assessments and using them with fidelity and using our data to inform our instruction to meet the needs of our learners

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

There was one change made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.
Change One: In Action 1.2, we added individuals with exceptional needs to our programs and services.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Student Engagement	Engagement strategies capitalize and build upon students' academic background, life experiences, culture, and language to support rigorous and culturally relevant learning to ensure that all students have access to, and are expected to participate. Some examples of this goal are: Implementing Community Circles, GLAD Strategies and ELD Supports, Utilizing Anchor Charts to support learning on classroom walls, Posting a Daily Schedule with Learning Goals, Integrating Group Projects to help all learners Based on CA Dashboard 2024: This action addresses Red Indicators and DA for Chronic Absenteeism: Hispanic and Socioeconomically Disadvantaged This action addresses the requirement for English Language Learners.	$1,000.00	Yes

Action #	Title	Description	Total Funds	Contributing
1.2	Curriculum and Pedagogy	Focus on strategic yearlong planning using our curriculum that informs units in support of students and instructing students using pedagogical content knowledge, culturally responsive, and ELD supports (designated and integrated) to meeting grade level standards. Some examples of this goal are: Using Culturally Responsive Curriculum, Implementing Differentiated Instruction, working on Yearlong Plans, implement designated and integrated ELD in the classroom to support all students learning. Based on CA Dashboard 2024: This action addresses the requirement for Foster Youth. This action addresses the requirement for English Language Learners, LTELS. This action addresses Students with Disabilities.	$1,600.00	Yes
1.3	Assessment	Use observable systems and routines for recording and using multiple assessment to support students' learning based on learning targets. Some examples of this goal are: Assessment Calendar, Common Grade Level Assessments: Formative and Performance, Common Grade Level Rubrics, SOC Meetings and using these assessments to determine academic achievement Based on CA Dashboard 2024: This action addresses the requirement for Foster Youth. This action addresses the requirement for English Language Learners, LTELS. This action addresses Students with Disabilities.	$12,200.00	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	Well-Being: Support the social-emotional and physical well-being of all and recognize each person's inherent value. Action One: School and Classroom Safety Action Two: Culture of Support and Belonging Action Three: Whole Child Nurturance and Lifelong Wellness Required Actions to meet Red Indicators and DA for School Climate (Suspension): Socioeconomically disadvantaged students, English Learners, Hispanic (Based on CA Dashboard 2023) Action 2.1, 2.2 and 2.3 Required Actions to meet Red Indicators and DA for Pupil Engagement (Chronic Absenteeism): Hispanic and Socioeconomically Disadvantaged (Based on CA Dashboard 2024) Action 2.2 Required Action to meet Students with Disabilities Action Four: Mainstreaming and parent participation in programs for individuals with exceptional needs.	Broad Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
Priority 6: School Climate (Engagement)
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Piner-Olivet Charter School (POCS) has developed this goal based on our dashboard and local data (YouthTruth) since our 2023 CA Dashboard shows our socioeconomically disadvantaged students, English Learners and Hispanic students are very high (red) in school climate: suspension and we have chronic absenteeism as very high (red) on our CA Dashboard 2024 for our hispanic and socioeconomically disadvantaged students. We are also trying to minimize our suspensions at the local level which we have been successful at as well as keep track of our students who are receiving counseling services. In addition, our YouthTruth survey data shows improvement in various areas as well. Finally, we are also looking at our physical fitness testing and realizing we need to increase the scores for it as well to increase our whole child nurturance and lifelong wellness within our student population.

Our actions and metrics are groups together to help us achieve this goal. Below you will see our actions and how our metrics meet each of the action items.

Action One: School and Classroom Safety

Support leaders, staff, families, and students in establishing and maintaining a physically and emotionally safe environment.
Expected Outcomes: Students, staff and parents respond over 90% on the YouthTruth Survey when asked about school safety and welcoming environment and lowering suspension and assertive discipline rates so students feel safer and ensuring that students receive the services that they need for counseling support at school.
Metrics for School and Classroom Safety: YouthTruth Survey: Friendly Environment and School Safety Questions, Suspension Rates, Expulsion Rates and Assertive Discipline and Counseling Data from Aeries

Action Two: Culture of Support and Belonging
Provide comprehensive student-centered programs that recognize each student's inherent value by integrating student voice and choice into learning experiences and activities that impact school climate.
Expected Outcomes: Students know that they have a trusted adult on campus at all times and students feel that they belong at school which increases our attendance percentage and minimizes our chronic absenteeism.
Metrics for Culture of Support and Belonging: YouthTruth Survey: Youth Truth- feeling a sense of belonging questions for each survey, Attendance Data and Chronic Absenteeism Rate

Action Three: Whole Child Nurturance and Lifelong Wellness
Develop, implement and support opportunities and experiences for all students, staff and families to understand, model and support their own and each other's social, emotional, and physical wellness.
Expected Outcomes: Our entire community supports the whole child and works together for lifelong wellness which includes social, emotion and physical wellness of everyone.
Metrics for Whole Child Nurturance and Lifelong Wellness: Physical Fitness Testing

Action Four: Mainstreaming and Parental Participation
Support Students with Disabilities, Staff and families with mainstreaming in general education classes and with all school activities to increase belonging and support within the school community.
Expected Outcomes: Our community embraces all students and supports them with mainstreaming in classrooms and with school activities to create an inclusive environment and community. Increase parent Participation in programs for individuals with exceptional needs in school and district committees and parent information nights.

2.10	Facilities in Good Repair (FIT Report)	96%	100%		Increase and then maintain a 100% on facilities in good repair	Increase 4%

Goal Analysis [2024-25]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Challenges:
-Increase of Chronic Absenteeism on CA Dashboard

-Increase of Suspensions on CA Dashboard

Challenges in Implementation:
Challenge: Providing all wrap around services needed to support family needs to for attendance increase
Challenges: Working to increase the use of restorative practice and Youth Transforming Justice and build relationships with ALL students

Successes:
-Increase of parents feeling it is a friendly and safe school environment
-Increase of Counseling Services
-Increase of Students having a trusted adults at school
-Increase of Attendance Percentage Rate

Successes in Implementation:
-Successes: Implementing school wide safety drills and safety plan and safety committee with all staff safety meetings to practice and review
-Successes: Increase use of Restorative Practices and Trauma Informed Practices
-Successes: Increasing Counseling services availabilities
-Successes: Working with school staff to conduct student surveys and look at the data to provide test of changes to ensure all students have a trusted adult
-Successes: Working on implementing an action plan, empathy interviews with Parsec and having a targeted group of students to work with to increase their attendance

There were no instances where we did not implement a planned action or implemented a planned action in a manner that differs from our original plan.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Effectiveness:
School and Classroom Safety- Providing safety drills, implementing staff meetings, and a safety plan to practice and review. Working with teachers and staff to implement community circles, restorative practices, trauma informed practices, and using sites sensory rooms to create an emotional safe place for students.

Culture of Support and Belonging- Working with staff and teachers to promote a trusted adult for each child, implementing community circles, voice and choice into learning experiences.
Whole Child Nurturance and Lifelong Wellness- Implementing PE curriculum with PE Tech
Mainstreaming- Continuing to support Students with Disabilities, Staff and families with mainstreaming in general education classes and with all school activities to increase belonging and support within the school community.

Ineffectiveness:
School and Classroom Safety- We are working on sharing all of our work on school safety plan, drills, and practices with our greater community to show safety first. Being consistent throughout the school in implementing our SEL program and conducting student surveys, community circles, restorative practices, and trauma informed practices.
Culture of Support and Belonging- We are working on continuing to integrating student voice and choice into learning experiences and activities that impact school climate.
Whole Child Nurturance and Lifelong Wellness-We are working on developing, implementing, and supporting opportunities and experiences for all students, staff and families to understand, model and support their own and each other's social, emotional, and physical wellness.
Mainstreaming- We are working on how to more effectively support Students with Disabilities, Staff and families with mainstreaming in general education classes and with all school activities to increase belonging and support within the school community.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

There was one change made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.
Change One: In Action 2.4, we added to the action in order to include parental participation in programs for individuals with exceptional needs.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	School and Classroom Safety	Support leaders, staff, families, and students in establishing and maintaining a physically and emotionally safe environment. Goals and Actions

Goal

Goal #	Description	Type of Goal
3	Community: Strengthen our community by embracing change, accepting others, and cultivating a growth mindset. Action One: Partnerships Action Two: Professional Learning and Development Action Three: Family and Community Engagement CA Dashboard 2023: Required Actions to meet Red Indicators and DA for School Climate (Suspension): Socioeconomically disadvantaged students, English Learners, Hispanic Action 3.2, 3.3 CA Dashboard 2024: Required Actions to meet Red Indicators and DA for Pupil Engagement (Chronic Absenteeism): Hispanic, Socioeconomically Disadvantaged Students Action 3.1, 3.2, 3.3	Broad Goal

State Priorities addressed by this goal.

Priority 3: Parental Involvement (Engagement)
Priority 5: Pupil Engagement (Engagement)
Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

Piner-Olivet Charter School (POCS) has developed this goal based on our YouthTruth survey data which shows improvement is needed in professional learning, engagement within parents, students and staff. We are also looking at our participation numbers for partnerships in the district and parents at events/conferences and our communication system.

Our actions and metrics are groups together to help us achieve this goal. Below you will see our actions and how our metrics meet each of the action items.

Action One: Partnerships
Cultivate partnerships and relationships that build on our district goals and provide opportunities for our students to grow and learn in meaningful ways
Expected Outcomes: Work with community partners that build on our mission and vision and provides excellent opportunities for our students.

Metrics for Partnerships: Number of partnerships in the district and Percentage of students participating in partnerships

Action Two: Professional Learning and Development
Create professional development based on our district goals that provide opportunities for our educators and community to grow, innovate and build capacity within our district
Expected Outcomes: Provide targeted Professional Development based on the needs of our students and with the support of teachers and staff that focuses on student achievement and their well-being and is consistently implemented and supported through district walkthroughs. Increase parent understanding and knowledge of how to support their children through parent informational nights.
Metrics for Professional Learning and Development: YouthTruth Survey: Youth Truth- Staff question on professional development

Action Three: Family and Community Engagement
Enhance educational and social opportunities for all families by providing them with tools, strategies and a community to support their child's academic, emotional, social and physical needs.
Expected Outcomes: Community working together to create decision making actions in school committees such as Executive Committee, ELAC/ DELAC as well as in events such as Coffee with the Principal, Virtual Information Nights, Family Engagement Nights (math/science/ELA), Exhibitions, School Based Performances, Family Events (ex. skate night, movie night, etc). 100% participation in communication with Parentsquare and increased enrollment in After School Enrichment, Clubs and Sports for students.
Metrics for Family and Community Engagement: Parentsquare Analytics for Participation, Participation Percentage of Parents for Events and Conferences, YouthTruth Survey: Parent Engagement Numbers, YouthTruth Survey: Student Engagement question, YouthTruth Survey: Staff Engagement question

Measuring and Reporting Results

Goal Analysis [2024-25]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Challenges:
-Decrease of ParentSquare Participation and Participation of parents in Back to School Night, Student Led Conferences and Open House
-Decrease in parents feeling they have a meaningful role in decision making
-Decrease of student engagement

Challenges in Implementation:
Challenges: Ensuring students voices are heard and engaged in their learning
Challenges: Ensuring there is a representation of parents involved in making decision making, to increase participation on ParentSquare and to school events

Successes:
-Increase in professional development
-Increase in parents feeling included in planning school activities
-Increase of 100% of staff feeling proud of their school

Successes in Implementation:
-Successes: Implementing professional development with teacher's voices to ensure it is what teachers need
-Successes: Increasing parents voice through parent organizations
-Successes: Listening to staff and teachers to hear their concerns and work together to be proud of their school

There were no instances where we did not implement a planned action or implemented a planned action in a manner that differs from our original plan.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There were no material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Effectiveness:
Partnerships: Working with community partners that build on our mission and vision and provides excellent opportunities for our students such as YMCA, Keystone and Music Teacher.
Professional Learning and Development: Creating professional development based on our district goals that provide opportunities for our educators and community to grow, innovate and build capacity within our district based on student and teacher needs. Working with our leadership team to provide walkthroughs to determine implementation of professional development goals and agreements. Implementing Spring Parent Information Nights on Healthy Life Choices, Restorative Practices and Parenting in the Digital Age.
Family and Community Engagement: Parent involvement in Executive Committee, ELAC/ DELAC, Coffee with the Principal, Virtual Information Nights, School Based Performances, Family Events (ex. skate night, movie night, etc) and the increased communication through ParentSquare. The increase in activities for after school enrichment and more targeted to student interests such as team sports.

Ineffectiveness:
Partnerships: We are working on keeping partnerships that aide in reaching our goals and mission and have to cancel contracts that do not meet our district mission.
Professional Learning and Development: We are working on having representation from a wider range of teachers to provide feedback on next steps in curriculum and best teaching practices to build district capacity and balancing it with experts presenting professional development and ensuring that professional development learning is implemented in the classroom and how to support the implementation through understanding patterns and trends in district walkthroughs.
Family and Community Engagement: We are working on communication to increase participation to Parent Information Nights as well as other ways to increase participation such as child care, zoom, etc...We are also working on including different types of after school enrichment activities based on student feedback.

Goals and Actions

Goal

Goal #	Description	Type of Goal
5		

State Priorities addressed by this goal.

An explanation of why the LEA has developed this goal.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline

Goal Analysis [2024-25]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Actions

Action #	Title	Description	Total Funds	Contributing

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2025-26]

Total Projected LCFF Supplemental and/or Concentration Grants	Projected Additional 15 percent LCFF Concentration Grant
$330,121	$16095

Required Percentage to Increase or Improve Services for the LCAP Year

Projected Percentage to Increase or Improve Services for the Coming School Year	LCFF Carryover — Percentage	LCFF Carryover — Dollar	Total Percentage to Increase or Improve Services for the Coming School Year
15.199%	2.453%	$52,066.55	17.652%

The Budgeted Expenditures for Actions identified as Contributing may be found in the Contributing Actions Table.

Required Descriptions

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.1	**Action:** Student Engagement **Need:** CA Dashboard 2023: Pupil Engagement: Chronic Absenteeism (Orange) Hispanic Socioeconomically disadvantaged English Learners	Engagement strategies capitalize and build upon students' academic background, life experiences, culture, and language to support rigorous and culturally relevant learning to ensure that all students have access to, and are expected to participate which will in turn increase attendance. Some examples of how the student engagement will be addressed for Hispanic, Socioeconomically disadvantaged students as well as our multi-lingual learners: Community Circles, GLAD Strategies and ELD Supports, Support Anchor	-YouthTruth Survey: Student Engagement Questions -Programs and Services Developed and Provided to Unduplicated Students (Participation in ELOP programs) -Attendance Percentages from Aeries

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	CA Dashboard 2024: Pupil Engagement: Chronic Absenteeism (Red) Hispanic Socioeconomically disadvantaged **Scope:** LEA-wide	Charts in classrooms, Daily Schedule with Learning Goals, Art-integration, Outdoor Experiences, and Group Projects LEA Wide: These strategies are provided LEA-wide because these are supports to engage all students in learning and increase attendance.	-California Dashboard: Chronic Absenteeism
1.2	**Action:** Curriculum and Pedagogy **Need:** CA Dashboard 2023: Pupil Achievement: ELA and Math: (Orange) Hispanic English Learners Socioeconomically Disadvantaged Students CA Dashboard 2024: Foster Youth English Language Learners LTELS Students with Disabilities **Scope:** LEA-wide	Focus on strategic yearlong planning using our curriculum that informs units in support of students and instructing students using pedagogical content knowledge, culturally responsive, and ELD supports (designated and integrated) to meeting grade level standards. Some examples of how curriculum and pedagogy will be addressed for our Hispanic students, Multi-lingual learners and low-income students are: Culturally Responsive Curriculum, Differentiated Instruction and consistent Yearlong Plans LEA Wide: These strategies are provided LEA-wide because these are common curriculum and pedagogy to support all students and increase student achievement.	-YouthTruth Survey: Instructional Methods and Academic Challenges Questions -Access to Broad Course of Study -Student Access to Instructional Materials: Williams Complaints -Broad Course of Study -Properly Credentialed Teachers: Misassignment of Teachers -EL Access to CA Standards and ELD Standards
1.3	**Action:** Assessment **Need:**	Use observable systems and routines for recording and using multiple assessment to support students' learning based on learning targets.	-Star Reading and Math -CA Dashboard: CAASPP and EL Progress (ELPAC)

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	CA Dashboard 2023: Pupil Achievement: ELA and Math: (Orange) Hispanic English Learners Socioeconomically Disadvantaged Students CA Dashboard 2024: Foster Youth English Language Learners LTELS Students with Disabilities **Scope:** LEA-wide	Some examples of how assessment will be addressed for our Hispanic students, multi-lingual and low-income students are: Common Assessment Calendar, Common Department Assessments: Formative and Performance, Common Department Rubrics Student of Concern Meetings LEA Wide: These strategies are provided LEA-wide because these are common assessments to learn where students are and to differentiate instruction based on the assessments to support all students.	-Reclassification of our English Language Learners
2.1	**Action:** School and Classroom Safety **Need:** Based on CA Dashboard 2023: This action addresses Red Indicators and DA for School Climate (Suspension): Socioeconomically disadvantaged students, English Learners, Hispanic **Scope:** LEA-wide	Action One: School and Classroom Safety Support leaders, staff, families, and students in establishing and maintaining a physically and emotionally safe environment. Some examples are: Classroom Routines and Procedures, Co-created Classroom Rules, Collaborative Conversations and Open Discourse, Restorative Practices, Trauma Informed Practices, Safety Ambassadors, Peer Solutions, Safety Plans and Committees and Practices LEA Wide: These strategies are provided LEA-wide because these are supports to increase classroom and school safety for all students.	-YouthTruth Survey: Friendly Environment and School Safety Questions -Suspension Rates -Expulsion Rates -Assertive Discipline and Counseling Data from Aeries
2.2	**Action:** Culture of Support and Belonging **Need:**	Provide comprehensive student-centered programs that recognize each student's inherent value by integrating student voice and choice into	-YouthTruth Survey: Youth Truth- feeling a sense of belonging questions for each survey

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	CA Dashboard 2023: School Climate (Suspension): Socioeconomically disadvantaged students, English Learners, Hispanic Orange on Chronic Absenteeism: Hispanic Socioeconomically disadvantaged English Learners CA Dashboard 2024: Pupil Engagement (Chronic Absenteeism): Hispanic Socioeconomically Disadvantaged **Scope:** LEA-wide	learning experiences and activities that impact school climate. Some examples are: Restorative Practices and Community Circles, Trauma Informed Practices and Self Regulation Tools, School Equity Plans: Trusted Adult at all campuses, Attendance Action Plans, Leadership Opportunities for students and Buddy Learning LEA Wide: These strategies are provided LEA-wide because these are tools to build a culture of support and belonging for all students.	-Attendance Data -Chronic Absenteeism Rate
2.3	**Action:** Whole Child Nurturance and Lifelong Wellness **Need:** CA Dashboard 2023: School Climate (Suspension): Socioeconomically disadvantaged students, English Learners, Hispanic **Scope:** LEA-wide	Develop, implement and support opportunities and experiences for all students, staff and families to understand, model and support their own and each other's social, emotional, and physical wellness. Some examples are: Celebration of Growth, MTSS Implementation, Counseling and School Psychologist, SEL Curriculum and Activities, Brain Breaks, PE Tech and Outside Learning Time LEA Wide: These strategies are provided LEA-wide because these are tools to build a whole child nurturance and lifelong wellness for all students	Physical Fitness Testing
3.1	**Action:** Partnerships	Cultivate partnerships and relationships that build on our district goals and provide opportunities for our students to grow and learn in meaningful ways	-Number of partnerships in the district -Percentage of unduplicated students

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Need: CA Dashboard 2024: Red Indicators for Pupil Engagement (Chronic Absenteeism): Hispanic Socioeconomically Disadvantaged Students **Scope:** LEA-wide	Some examples are: After school Partners (YMCA), Counseling Services, Outdoor Education and West County Transportation LEA Wide: We have district wide partnerships to support and enhance the education of all students.	participating in partnerships
3.2	**Action:** Professional Learning and Development **Need:** CA Dashboard 2023: School Climate (Suspension): Socioeconomically disadvantaged students English Learners Hispanic CA Dashboard 2024: Pupil Engagement (Chronic Absenteeism): Hispanic Socioeconomically Disadvantaged Students **Scope:** LEA-wide	Create professional development based on our district goals that provide opportunities for our educators and community to grow, innovate and build capacity within our district Some examples are: Curriculum Training and Professional Development for Teachers and Classified Staff, Parenting Classes and Training in Aeries, Pedagogical Development for Teachers and Classified Staff (Guided Language Acquisition by Design, Trauma Informed Practices, Safety Ambassadors, Youth Transforming Justice, etc) LEA Wide: All teachers are being trained on the professional development based on our district goals and to increase capacity building within our district.	-Youth Truth- Staff question on professional development
3.3	**Action:** Family and Community Engagement **Need:** CA Dashboard 2023:	Enhance educational and social opportunities for all families by providing them with tools, strategies and a community to support their child's academic, emotional, social and physical needs.	-ParentSquare Analytics for Participation -Participation Percentage of Parents for Events and Conferences

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	School Climate (Suspension): Socioeconomically disadvantaged students English Learners Hispanic CA Dashboard 2024: Pupil Engagement (Chronic Absenteeism): Hispanic Socioeconomically Disadvantaged Students **Scope:** LEA-wide	Some examples are: Executive Committee, DELAC, Coffee with the Principal, Virtual Information Nights, Family Engagement Nights (math/science/ELA), School Based Performances, ParentSquare, More After School Enrichment, Clubs and Sports LEA Wide: Different family and community engagement opportunities are provided throughout the district to engage with families.	-YouthTruth Survey: Parent Engagement Numbers -YouthTruth Survey: Student Engagement question -YouthTruth Survey: Staff Engagement question

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

As a result of increased number of newcomers students as well as increasing percentages of English Language Learners, we worked with educational partners (DELAC, Instructional Leadership Teams, and additional classified support for English Learners), and have determined to increase staffing (ELD Program Assistant, Library/Media Tech), professional development, and curriculum to provide direct services to our English Language Learners.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		10.78 classified staff: student enrollment 216
Staff-to-student ratio of certificated staff providing direct services to students		certificated staff: student enrollment 216

Local Control and Accountability Plan Instructions

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California Education Code [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.

- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.

- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:

    - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).

    - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).

        - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (EC Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (EC sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in EC sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023 and Senate Bill 153, Chapter 38, Statues of 2024.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

> Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- LEAs may also provide information about their strategic plan, vision, etc.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

EC Section 52064.4 requires that an LEA that has unexpended Learning Recovery Emergency Block Grant (LREBG) funds must include one or more actions funded with LREBG funds within the 2025-26, 2026-27 and 2027-28 LCAPs, as applicable to the LEA. To implement the requirements of *EC* Section 52064.4, all LEAs must do the following:

- For the 2025–26, 2026–27, and 2027–28 LCAP years, identify whether or not the LEA has unexpended LREBG funds for the applicable LCAP year.
    - If the LEA has unexpended LREBG funds the LEA must provide the following:
        - The goal and action number for each action that will be funded, either in whole or in part, with LREBG funds; and
        - An explanation of the rationale for selecting each action funded with LREBG funds. This explanation must include:
            - An explanation of how the action is aligned with the allowable uses of funds identified in *EC* Section 32526(c)(2); and
            - An explanation of how the action is expected to address the area(s) of need of students and schools identified in the needs assessment required by *EC* Section 32526(d).
                - For information related to the allowable uses of funds and the required needs assessment, please see the Program Information tab on the LREBG Program Information web page.
            - Actions may be grouped together for purposes of these explanations.
            - The LEA may provide these explanations as part of the action description rather than as part of the Reflections: Annual Performance.
    - If the LEA does not have unexpended LREBG funds, the LEA is not required to conduct the needs assessment required by *EC* Section 32526(d), to provide the information identified above or to include actions funded with LREBG funds within the 2025-26, 2026-27 and 2027-28 LCAPs.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement
An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

Requirements

School districts and COEs: *EC* Section 52060(g) and *EC* Section 52066(g) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,

- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section 47606.5(d) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the CDE's LCAP webpage.

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see *Education Code* Section 52062;
    - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).
- For COEs, see *Education Code* Section 52068; and
- For charter schools, see *Education Code* Section 47606.5.

- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.

- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.

- For the purposes of this prompt, this may also include, but is not necessarily limited to:
    - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
    - Inclusion of metrics other than the statutorily required metrics
    - Determination of the target outcome on one or more metrics
    - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
    - Inclusion of action(s) or a group of actions
    - Elimination of action(s) or group of actions
    - Changes to the level of proposed expenditures for one or more actions
    - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
    - Analysis of effectiveness of the specific actions to achieve the goal
    - Analysis of material differences in expenditures
    - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
    - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
    - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The *LCFF State Priorities Summary* provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)

Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

(A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and

(B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.

- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
    - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
    - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
    - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: *EC* Section 42238.024(b)(1) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal

Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.

- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.

- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.

- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.

    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

- **Required metrics for Equity Multiplier goals**: For each Equity Multiplier goal, the LEA must identify:

    - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or

    - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

- **Required metrics for actions supported by LREBG funds**: To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include at least one metric to monitor the impact of each action funded with LREBG funds included in the goal.

    - The metrics being used to monitor the impact of each action funded with LREBG funds are not required to be new metrics; they may be metrics that are already being used to measure progress towards goals and actions included in the LCAP.

Complete the table as follows:

Metric #

- Enter the metric number.

Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

Baseline

- Enter the baseline when completing the LCAP for 2024–25.
    - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
    - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
    - Indicate the school year to which the baseline data applies.
    - The baseline data must remain unchanged throughout the three-year LCAP.
        - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.
        - If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
    - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.

- Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the "**Measuring and Reporting Results**" part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2025–26**. Leave blank until then.	Enter information in this box when completing the LCAP for **2026–27**. Leave blank until then.	Enter information in this box when completing the LCAP for **2024–25** or when adding a new metric.	Enter information in this box when completing the LCAP for **2025–26** and **2026–27**. Leave blank until then.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. "Effective" means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as "Not Applicable."

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
    - Include a discussion of relevant challenges and successes experienced with the implementation process.
    - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
    - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
    - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
    - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
    - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:

- The reasons for the ineffectiveness, and
- How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.
    - For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
    - As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
    - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496 in the Increased or Improved Services section of the LCAP.

***Actions for Foster Youth*:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

For English Learners and Long-Term English Learners

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
    - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
    - Professional development for teachers.
    - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.

For Technical Assistance

- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

For Lowest Performing Dashboard Indicators

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
    - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
    - These required actions will be effective for the three-year LCAP cycle.

For LEAs With Unexpended LREBG Funds

- To implement the requirements of *EC* Section 52064.4, LEAs with unexpended LREBG funds must include one or more actions supported with LREBG funds within the 2025–26, 2026–27, and 2027–28 LCAPs, as applicable to the LEA. Actions funded with LREBG funds must remain in the LCAP until the LEA has expended the remainder of its LREBG funds, after which time the actions may be removed from the LCAP.
    - Prior to identifying the actions included in the LCAP the LEA is required to conduct a needs assessment pursuant to *EC* Section 32526(d). For information related to the required needs assessment please see the Program Information tab on the LREBG

Program Information web page. Additional information about the needs assessment and evidence-based resources for the LREBG may be found on the California Statewide System of Support LREBG Resources web page. The required LREBG needs assessment may be part of the LEAs regular needs assessment for the LCAP if it meets the requirements of *EC* Section 32526(d).

- School districts receiving technical assistance and COEs providing technical assistance are encouraged to use the technical assistance process to support the school district in conducting the required needs assessment, the selection of actions funded by the LREBG and/or the evaluation of implementation of the actions required as part of the LCAP annual update process.
- As a reminder, LREBG funds must be used to implement one or more of the purposes articulated in *EC* Section 32526(c)(2).
- LEAs with unexpended LREBG funds must include one or more actions supported by LREBG funds within the LCAP. For each action supported by LREBG funding the action description must:
  - Identify the action as an LREBG action;
  - Include an explanation of how research supports the selected action;
  - Identify the metric(s) being used to monitor the impact of the action; and
  - Identify the amount of LREBG funds being used to support the action.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC*

Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the "minimum proportionality percentage" or "MPP." The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero ($0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.

- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.

    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

    - The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.

- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.

    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

    - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year**: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

  See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 *CCR* Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***

- **Goal #**: Enter the LCAP Goal number for the action.
- **Action #**: Enter the action's number as indicated in the LCAP Goal.
- **Action Title**: Provide a title of the action.
- **Student Group(s)**: Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
    - **Scope**: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
    - **Unduplicated Student Group(s)**: Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
    - **Location**: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel**: Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- **LCFF Funds**: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
    - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.
    - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds**: Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds**: Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds**: This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services**: For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.
    - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

      For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures**: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions**: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
    - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been $169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of $169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant**: Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program,

the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
    - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
    - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**
    - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**

- This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on the number and concentration of unduplicated students in the current school year.

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**
  - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**

- If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

  The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- **13. LCFF Carryover — Percentage (12 divided by 9)**

  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education
November 2024
